SIR,

IMMEDIATE.

In connection with the publication of the "Mysore School and Scout Magazine" it will be of considerable assistance to the paper if blocks at the disposal of the Superintendent of the Government Press are allowed to be used. In order to avoid the formality of securing the permission of Government every time a block is required, I request that Government may be pleased to instruct the Superintendent to the effect that such blocks as are required may be placed at the disposal of the Editor of the paper when required. As illustrations are a chief feature of the magazine this amount of assistance is almost indispensable. I request the issue of early orders.

For this month's issue the immediate need is a small block of His Highness the Yuvaraja. The Superintendent of the Government press may be kindly instructed to loan the use of this to the Editor.

I have the honour to be,
Sir,
Your most obedient servant.

C. R. Reddy
